Volunteers are Needed

The success of VBS comes down to the many volunteers who give of their time and their hearts for the benefit of all of our children. VBS is mainly staffed by volunteers and it takes a lot of adult workers to work with 200 kids for a week. **Please prayerfully consider the importance of your role in VBS and to all of our children!**

Take a look at this list and see if you feel called to fill one of these roles.
